2. Name of Scheme

[\[To index\]](#)

This Scheme shall be known as the Wine of Origin Scheme.

[S. 2 substituted by GN R546/93 and GN R835/2005]

3. Objects of Scheme.

[\[To index\]](#)

The objects of this Scheme are-

- (a) to serve as a basis for the development of the distinctiveness and quality of wines.
- (b) to confirm the correctness of certain indications in connection with the origin of wine; and

- (c) to create confidence in such indications.

4. Liquor product to which Scheme applies

[\[To index\]](#)

- (1) This Scheme shall apply to wine produced from grapes of the vine cultivars specified in [Table 1](#) or [2](#).
- (2) Notwithstanding the provisions of subsection (1), the board may on application determine that the Scheme shall also apply to wine produced from grapes of a vine cultivar not specified in Table 1 or 2 subject to such conditions and for such period as the board may determine.

[S. 4 substituted by GN R628/2015]

5. Authority for the indication of certain particulars

[\[To index\]](#)

- (1) Subject to the provisions of the Act and of subsection (2), the following particulars may only after certification be used in connection with the sale of wine:

- (a) The name of an area of production.
- (b) The designation of a vine cultivar specified in [Table 1](#).
- (c) Particulars indicating that wine was produced from grapes harvested in a particular year.
- (d) The words "estate", "landgoed", "origin", "oorsprong", "vintage", "oesjaar", "criadera" and "solera".
- (e) The class designations of the classes of wines that are known as special late harvest wine, noble late harvest wine, blanc de noir wine, wine from naturally dried grapes, Cape white, Cape ruby, Cape tawny, Cape dated tawny, Cape late bottled vintage, Cape vintage, fino, amontillado, oloroso, pale dry, pale cream, medium cream and full cream.
- (f) The expressions "single vineyard wine" and "enkelwingerdwyne".

[Sub-s. (1) amended by GN R546/93, GN R834/98 and GN R835/2005 and substituted by GN R813/2006]

- (2) (a)

[Para. (a) amended by GN R324/99 and GN R19/2001 and deleted by GN R1819/2003]

- (b) The expressions "Paarl" and "Worcester" may also be used without certification in connection with the sale of wine other than a wine of origin of the area of production Paarl or Worcester if -
- (i) the person using such expression has obtained a certificate from the Wine and Spirit Board referred to in section 19 of the Wine, Other Fermented, Beverages and Spirits Act, 1957 (Act No. 25 of 1957), to the effect that he has prior to 1 January 1972 and since used that expression in connection with the sale of the wine concerned;
- (ii) no other particulars referred to in subsection (1) are indicated on the labels of the containers of that wine; and
- (iii) those labels have not since 1 January 1972 been altered in any respect other than that required or permitted under any law.
- (c) The expressions "Paarl" and "Constantia" may also be used without certification in connection with the sale of wine other than a wine or origin of the area of production Paarl or Constantia if-
- (i) that wine is exported from the Republic to a country that is not member state of the European Community.
- (ii) the person using such expression has obtained a certificate referred to in paragraph (b)(i) with regard to that wine; and,
- (iii) no other particulars referred to in subsection (1) are indicated on the labels of the containers of that wine

- (d) The vine cultivar designation "hanepoot" may also be used without certification in connection with the sale of wine, that complies with the requirements set out in [section 10\(1\)\(a\), \(c\) and \(d\)](#) of this Scheme, if -
- (i) no other particulars referred to in subsection (1) are indicated on the labels of the containers of that wine, and
 - (ii) a complete record, is kept in a manner acceptable to the board, of all the processes in connection with the production of that wine, with inclusion of the pressing of the grapes that were used.

[Para. (d) added by GN R2842/91]

- (e) The designation of a vine cultivar specified in [Table 1](#) may, in the case of a wine that has been produced from different vine cultivars and is not destined for certification as a cultivar wine, also be used in connection with the sale of such wine: Provided that-
- (i) the requirements set out in [section 23\(4\)\(e\)](#) or [23\(4\)\(eA\)](#) of this Scheme are complied with; and
 - (ii) that wine is a wine of origin.

[Subpara. (ii) substituted by GN R835/2005]

[Para. (e) added by GN R2842/91, amended by GN R2594/92 and substituted by GN R834/98]

- (f) The name "Kleinrivier", which is identical to the name of an area of production defined under this Scheme, may be used in connection with the sale of wine by Clos Malverne: Provided that -
- (i) "Kleinrivier" shall not be further described in any way;
 - (ii) such wine is a wine of origin;
 - (iii) the origin of such wine shall be indicated, on the same label or other material as the name "Kleinrivier", as required in terms of [section 24\(2\)](#) of this Scheme: Provided that the abbreviation "W.O." referred to in that section shall not be used; and
 - (iv) the name "Kleinrivier" shall not be more prominent than the origin indicated in terms of subparagraph (iii).

[Para. (f) added by GN R554/2009]

- (g) The expression "Bonne Nouvelle", which resembles the vine cultivar "Nouvelle", may be used in connection with the sale of wine by Remhoogte Wine Estate (Pty) Ltd: Provided that -
- (i) such wine is a blend of red wines;
 - (ii) such wine is a wine of origin;
 - (iii) the requirements set out in [section 23\(4\)\(e\)](#) or [23\(4\)\(eA\)](#) of this Scheme were complied with in respect of such wine;
 - (iv) the cultivars used in such a blend are indicated as required in terms of [section 23\(4\)\(e\)](#) or [23\(4\)\(eA\)](#) of this Scheme; and
 - (v) the fact that such wine is a blend of wine from red wine cultivars shall be apparent from the label or other material and, if applicable, the packaging, on which the expression "Bonne Nouvelle" is used.

[Para. (g) added by GN R554/2009]

6. Defining of areas of production

[\[To index\]](#)

- (1) (a) The board may by notice in the *Gazette*-
- (i) define areas under particular names as geographical units, regions, districts and wards; and
 - (ii) amend or withdraw the definition of a geographical unit, region, district or ward.

[Para. (a) substituted by GN R1819/2003 and GN R835/2005]

- (b) The board may in its discretion impose the conditions which shall apply to any such definition, amendment or withdrawal.
[Para. (b) amended by GNR324/99 and GN R1819/2003]
- (2) (a) Any person desiring a definition, amendment or withdrawal referred to in subsection (1) shall apply therefor to the board in writing.
- (b) Such application shall be accompanied by-
 - (i) the documents required by the board; and
 - (ii) the applicable fee determined by the board for this purpose.
- (c) The person who lodged such application shall, if directed thereto by the board, publish a notice in a form corresponding with a form obtainable from the board for this purpose -
 - (i) setting forth the applicable particulars of that application;
 - (ii) containing an invitation to persons who have objections to the granting of the application concerned, to lodge their objections, stating full particulars of the reasons therefor, in writing with the board within 30 days after the date of publication of that notice.
- (d) Such notice shall be published -
 - (i) once in both official languages in the Gazette;
 - (ii) once in one of the official languages in a newspaper or newspapers determined by the board; and
 - (iii) once in the other official language in a newspaper or newspapers determined by the board.
- (e) Notwithstanding any provision to the contrary in this section, the board may also of its own accord define an area of production or amend or withdraw the definition of an area of production if in its opinion sound reasons exist therefor.
- (3)
[Sub-s. (3) substituted by GN R324/99 and deleted by GN R1819/2003]
- (4)
[Sub-s. (4) substituted by GN R324/99 and deleted by GN R1819/2003]
- (5)
[Sub-s. (5) amended by GN R324/99 and deleted by GN R1819/2003]
- (6)
[Sub-s (6) deleted by GN R835/2005]
- (7) (a) The board may-
 - (i) after consideration of an application in this regard, approve that grapes may be grown on specified land in a district or ward with a view to the production of a distinctive wine of the district or ward concerned; and
[Subpara. (i) substituted by GN R1819/2003]
 - (ii) determine the prerequisites that have to be complied with before the approval of such application will be considered.
- (b) Prerequisites referred to in paragraph (a)(ii) may-
 - (i) contain an indication of the persons and bodies that have to be consulted on the application concerned; and

- (ii) determine a period during which the requirements referred to in paragraph (e) have to be complied with in connection with the production of wine from grapes harvested on the specified land concerned before the approval of such application will be considered.
- (c) An application for an approval in terms of paragraph (a)(i) shall be made on a form obtainable from the board for this purpose.
- (d) Such application shall be accompanied by -
 - (i) the applicable documents specified in the form concerned; and
 - (ii) the applicable fee determined by the board for this purpose.
- (e) When the board approves an application referred to in paragraph (a)(i), it may prescribe the requirements that shall apply to the growing of grapes on the land concerned, and to the production of a distinctive wine from grapes harvested on that land.
- (f) Such requirements may include-
 - (i) an indication of the vine cultivars that may be established on the land concerned;
 - (ii) the cultivation practises to be followed in connection with the growing of grapes on the land concerned;
 - (iii) an indication of the maximum mass of grapes per unit that may be harvested on the land concerned;
 - (iv) an indication of the maximum volume of distinctive wine that may be produced per ton of grapes harvested on the land concerned;
 - (v) requirements additional to those specified elsewhere in this Scheme, that have to be complied with in connection with the production of a distinctive wine from grapes harvested on the land concerned; and
 - (vi) an indication of the quality standards to which the distinctive wine concerned has to comply with.

6A. Registration of units for the production of single vineyard wine

[\[To index\]](#)

- (1) (a) The board may register a single vineyard block, on which a single cultivar is grown, as a unit for the production of single vineyard wine, and also amend or withdraw such registration.
- (b) The area of a single vineyard block referred to in paragraph (a) may not exceed six hectares.
- (c) The board may in its discretion impose conditions which shall apply to such registration, amendment or withdrawal.
- (2) (a) Any person desiring a registration, amendment or withdrawal in terms of subsection (1) shall apply therefor to the board in writing.
- (b) Such application shall be accompanied by -
 - (i) the information required by the board; and
 - (ii) the applicable fee determined by the board for this purpose.
- (c) Notwithstanding any provision to the contrary in this section the board may also of its own accord amend or withdraw the registration of a unit for the production of single vineyard wine if in its opinion sound reasons exist therefor.
- (3) (a) If any change with regard to the particulars by virtue of which a unit for the production of single vineyard wine was registered, has occurred or is envisaged, the applicant concerned or his successor in title shall forthwith notify the board thereof in writing.

- (b) The board may direct that such notice be dealt with as an application in terms of subsection (2) for the amendment of the registration of the unit concerned.

[S. 6A inserted by GN R546/93, deleted by GN R835/2005 and inserted by GN R813/2006]

6B. Registration of units for the production of estate wine

[\[To index\]](#)

- (1) (a) The board may register pieces of land or portions of pieces of land under particular names as units for the production of estate wine, and also amend or withdraw such registrations.
- (b) The board may in its discretion impose conditions which shall apply to such registration, amendment or withdrawal.
- (2) (a) Any person desiring a registration, amendment or withdrawal in terms of subsection (1) shall apply therefor to the board in writing.
- (b) Such application shall be accompanied by-
- (i) the documents required by the board; and
- (ii) the applicable fee determined by the board for this purpose.
- (c) Notwithstanding any provision to the contrary in this section the board may also of its own accord amend or withdraw the registration of a unit for the production of estate wine if in its opinion sound reasons exist therefor.
- (d) An application for registration referred to in subsection (1) may only be approved by the board if all the pieces of land or portions of pieces of land to which that application relate-
- (i) apart from roads, railways, rivers and similar divisions approved by the board, adjoin one another; and
- (ii) is farmed as a single unit.
- (3) (a) An application for the amendment of the registration of a unit for the production of estate wine in order to increase the area thereof shall be approved by the board only if the piece of land constituting such increase-
- (i) apart from roads, railways, rivers and similar, divisions approved by the board, adjoin the unit concerned; and
- (ii) is to be farmed as a single unit along with the other land that already constitutes that unit.
- (b) Leased land shall be included in the area of a unit which is registered for production of estate wine only if the person in charge of the unit concerned had or will have control over the grapes concerned for at least one production cycle, from bud to harvest, before they are utilised for the production of estate wine.

[Para. (b) substituted by GN R403/2014]

- (4) The person in charge of a unit that is registered for the production of estate wine shall, when requested thereto by the board, produce sufficient proof that-
- (a) the land comprising the unit concerned or of which it will consist, is or will be farmed as a single unit; and
- (b) in case of leased land, he has had control of the grapes concerned for one production cycle, from bud to harvest, before they were utilised for the production of estate wine.

[Para. (b) substituted by GN R403/2014]

- (5) (a) If any change with regard to the particulars by virtue of which a unit for the production of estate wine has occurred or is envisaged, the applicant concerned or his successor in title shall forthwith notify the board thereof in writing.
- (b) The board may direct that such notice be dealt with as an application in terms of subsection (2) for the amendment of the registration of the unit concerned.
- (6) Notwithstanding the provisions of subsection (2)(d), the non-adjointing land of the units registered for the production of estate wine under the names Bergsig, De Wetshof, Goedverwacht, Mont Blois, Neethlingshof, Rietvallei and Vera Cruz, as registered on 1 January 2006, shall be deemed to be adjoining land for the purposes of this section: Provided that an application in terms of subsection (3) in respect of such non-adjointing land shall not be allowed by the board.

15. Authority to press grapes[\[To index\]](#)

- (1) (a) Any person intending to press grapes with a view to the production of wine intended for certification shall -
 - (i) lodge a vineyard status return in respect of such grapes on a form obtainable from the board for this purpose; and

- (ii) apply for an authority on a form obtainable from the board for this purpose.
- (b) The board shall not grant an authority to press grapes if a vineyard status return was not lodged in respect of such grapes.
[Sub-s. (1) substituted by GN274/2019]
- (2) (a) Separate applications shall thus be made in respect of grapes pressed in the same cellar with a view to the production of wine in respect of which certification of different particulars referred to in section 11(3)(a) and (4) of the Act are required.
- (b) If the intention is to combine grapes of different cultivars before, during or directly after crushing in order to produce a cultivar wine or to claim that the wine consists of different cultivars, the application form concerned shall state-
 - (i) the designations of the cultivars concerned; and
 - (ii) the method whereby the mass of the grapes of each of the various cultivars is to be determined prior to their addition.
[Sub-s. (2) substituted by GN R834/98]
- (c) If the intention is to combine grapes of different areas of production before, during or directly after crushing in order to produce a wine of origin of more than one area of production, the application form concerned shall state -
 - (i) the names of each of the areas or production concerned; and
 - (ii) the method whereby the mass of the grapes of each of the areas of production is to be determined prior to their addition.
[Para. (c) inserted by GN R813/2006]
- (3) Such application shall be lodged with the board at least 30 days prior to the expected date on which the pressing of the grapes concerned will commence.
- (4) The applicable fee determined by the board for this purpose shall be payable in respect of such application.
- (5) If the board approves such application -
 - (a) the additional conditions and requirements determined by the board, that have to be complied with in connection with the pressing of the grapes concerned and the production of wine therefrom shall be indicated on the authority concerned; and
 - (b) such authority shall be accompanied by a production sheet on which the holder of the authority concerned shall record the particulars required in terms of this Scheme or by the board.

16. Pressing of grapes

[\[To index\]](#)

- (1) The holder of an authority shall-
 - (a) notify the board at least one working day prior to the date on which the pressing of the grapes concerned is to commence of the particulars referred to in subsection (2);
[Para. (a) substituted by GN R834/98]
 - (b) during the course of each working day record the applicable particulars in connection with the grapes concerned pressed during that working day, in duplicate on a press register approved by the board for this purpose;
 - (c) (i) daily determine the total mass of the grapes, particulars of which were thus recorded, and record it in the press register concerned;
 - (ii) determine with a calibrated apparatus the mass of the grapes of each of the different cultivars or areas of production referred to in [section 15\(2\)\(b\)](#) and [\(c\)](#) of this Scheme prior to combining, and record it daily in the press register concerned;

[Subpara. (ii) substituted by GN R813/2006]
 [Para. (c) substituted by GN R834/98]

- (d) (i) record such total mass, the masses of the grapes referred to in paragraph (c)(ii) and the other required particulars on the applicable production sheet;
- (ii) after wine made from the different cultivars or areas of production referred to in [section 15\(2\)\(b\)](#) and [\(c\)](#) of this Scheme, has been removed from the sediment, apply to the board on the form referred to in [section 20\(3\)\(a\)](#) of this Scheme for the issuing of a blending and bottling sheet; and

[Subpara. (ii) substituted by GN R813/2006]

- (iii) record the particulars referred to in paragraph (c)(ii) and the other required particulars on such blending and bottling sheet;

[Para. (d) substituted by GN R834/98]

- (e) keep a wine record in a manner determined by the board, in respect of the must, sweet reserve and wine obtained or produced from grapes pressed in terms of such authority.

(2) The following particulars shall be furnished in a notice referred to in subsection (1)(a):

- (a) The reference number of the production sheet that accompanied the authority concerned.
- (b) The date on which the pressing of the grapes concerned will commence.
- (c) The designation of the vine cultivar of the grapes concerned.
- (d) The address of the premises at which the grapes concerned will be pressed.
- (e) Whether the grapes concerned are intended for the production of a special late harvest wine, a noble late harvest wine or a wine from naturally dried grapes.

[Para. (e) inserted by GN R834/98]

- (f) Whether the grapes of the vine cultivars or areas of production concerned are intended to be combined as referred to in [section 15\(2\)\(b\)](#) and [\(c\)](#) of this Scheme.

- (1) (a) Except where expressly provided otherwise in this section, the applicable provisions of the Act with regard to the addition and removal of substances to and from must and wine and the application of treatments to must and wine shall apply *mutatis mutandis* to must and wine obtained or produced from grapes pressed in terms of an authority.

- (b) The holder of an authority shall record full particulars of each such addition, removal or treatment on the production sheet and wine record kept in respect of the must and wine concerned.
- (c) Particulars recorded in terms of paragraph (b) shall include:
- (i) The name and address of the supplier of each substance used for such addition, removal or treatment.
 - (ii) The nature of each substance used for such addition, removal or treatment.
 - (iii) The volume or quantity of each such substance acquired from the supplier.
 - (iv) The supplier's batch or lot number of each such substance.
 - (v) The date of delivery by the supplier of each such batch or lot of the substance.
 - (vi) The volume or quantity of each such substance used in such addition, removal or treatment.
 - (vii) The date each such substance was used in such addition, removal or treatment.
- [Para. (c) inserted by GN R813/2006]
- (2) (a) A pure culture of yeasts or bacteria added to must or wine obtained or produced in terms of an authority shall -
- (i) not be of such a nature that it will alter the character that is distinctive of the wine concerned,
 - (ii) in the case of an estate wine, subject to the provisions of paragraph (b), be prepared in the cellar that is situated on the relevant unit that is registered for the production of estate wine, from grapes that were harvested on the unit concerned and, in the case of a wine of origin, be prepared from grapes that were harvested in the geographical unit, region, district or ward concerned;
[Subpara. (ii) substituted by GN R546/93, GN R1819/2003 and GN R835/2005]
 - (iii) in the case of a cultivar wine, not constitute more than five per cent of the volume of the must or wine to which it is added, unless it was prepared from grapes of the grape cultivar used for the production of that cultivar wine; and
 - (iv) in the case of a blanc de noir wine, not constitute more than five per cent of the volume of the must or wine to which it is added, unless it was prepared from grapes of a vine cultivar specified in [Table 2](#).
 - (v) in the case of a single vineyard wine, not constitute more than five per cent of the volume of the must or wine to which it is added, unless it was prepared from grapes that were harvested on the relevant unit that is registered for the production of single vineyard wine.
[Subpara. (v) inserted by GN R546/93, deleted by GN R835/2005 and inserted by GN R813/2006]
- (b) (i) Not more than 200 litres of pure cultures of yeasts and bacteria not complying with the requirements set out in paragraph (a)(ii), may during any particular year be added in total to all the must and wine obtained or produced on a unit that is registered for the production of estate wine.
- (ii) Such volume of pure cultures of yeasts and bacteria shall be deemed to have been prepared from grapes harvested on the unit that is registered for the production of estate wine concerned.
- [Para. (b) substituted by GN R813/2006]
- (3) (a) The addition of concentrated must to wine produced from grapes pressed in terms of an authority shall only be made in accordance with the provisions of [section 20](#) of this Scheme.
- (b) The provisions of paragraph (a) shall, unless the board determines otherwise in a particular case, apply *mutatis mutandis* to sweet reserve.

- (4) (a) If it is necessary to supplement any loss in volume, topping wine may be added to wine produced in terms of an authority and kept in a wooden cask, cement tank or other bulk container.
- (b) Such topping wine shall -
- (i) in the case of a blanc de noir wine, be produced from grapes of a vine cultivar specified in [Table 2](#); and
- (ii) otherwise not be of such a nature that it will alter the distinctive character of the wine to which it is added.
- (c) The volume of topping wine added to wine in terms of paragraph (a) during a particular year shall-
- (i) in the case of wine kept in a wooden cask or cement tank, not exceed three per cent of the volume of the wine concerned; and
- (ii) otherwise not exceed one per cent of the volume of the wine concerned.

18. Determination of volume

[\[To index\]](#)

- (1) The holder of an authority shall-
- (a) at the time specified in subsection (2), determine the volume of the sweet reserve and wine obtained or produced in terms of that authority; and
- (b) record the applicable particulars in connection therewith on the production sheet and wine record kept in respect of the sweet reserve and wine concerned.
- (2) Such determination of volume shall be made on 1 June of the year in which the grapes concerned were pressed, or-
- (a) in the case of sweet reserve, on the date on which-
- (i) alcoholic fermentation therein has been completed or terminated;
- (ii) it is added to wine for purposes of sweetening; or
- (iii) it is removed from the premises at which the grapes concerned were pressed; and
- (b) in the case of wine, on the date on which alcoholic fermentation therein has been completed or terminated and that wine is removed from the sediment,
- whichever date may be the earlier.

19. Transfers between premises

[\[To index\]](#)

- (1) (a) No person shall without the written permission of the board transfer any must, sweet reserve or wine obtained or produced in terms of an authority, from one premises to another:
- (b) Subject to the provisions of [section 8\(3\)\(d\)](#) of this Scheme wine which is transferred in terms of such permission shall not be considered for certification as an estate wine.
[Sub-s. (1) substituted by GN R1819/2003]
- (2) (a) The board may on application grant written exemption from the provisions of subsection (1) to a person intending to transfer wine to other premises for the purposes of bottling.
- (b) The holder of an exemption referred to in paragraph (a) shall at least one working day prior to the intended date of each such transfer notify the board thereof.
[Para. (b) substituted by GN R1819/2003]
- (c) No alcoholic fermentation shall occur in such wine during or after transfer.

- (d) Wine thus transferred shall not be removed from the premises to which it has been transferred, unless -
- (i) it has been certified; or
 - (ii) it is returned to the cellar from which it was transferred.
- (e) If wine is thus returned, the person who receives that wine shall forthwith notify the board thereof.
- (3) (a) An application for a permission referred to in subsection (1) shall be made on a form obtainable from the board for this purpose.
- (b) Such application shall-
- (i) be made by the person intending to receive the must, sweet reserve or wine concerned after the transfer thereof; and
 - (ii) be lodged with the board at least seven working days prior to the intended date of transfer.
- (c) The applicable fee determined by the board for this purpose shall be payable in respect of such application.
- (4) A permission referred to in subsection (1) shall be issued by the board only if -
- (a) in the case of must, that must is intended for the production of a wine of origin, and is to be transferred from one cellar to another in the same geographical unit, region, district or ward;
[Para. (a) substituted by GN R546/93 and GN R835/2005]
 - (b) in the case of sweet reserve, alcoholic fermentation therein has been completed or terminated.
 - (c)
[Para. (c) deleted by GN R1819/2003]
 - (d) in the case of wine that is not intended for certification as an estate wine, alcoholic fermentation therein has been completed: Provided that the board may in its discretion grant exemption from this provision.
[Para. (d) substituted by GN R1819/2003]
- (5) If the board approves an application referred to in subsection (3) -
- (a) the additional conditions and requirements determined by the board, that have to be complied with in connection with the transfer and, if applicable, the further production processes of the must, sweet reserve or wine concerned shall be indicated on the permission concerned; and
 - (b) such permission shall, in the case of must, be accompanied by a production sheet, and otherwise by a stock sheet.
- (6) The person in charge of the cellar from which must, sweet reserve or wine was transferred in accordance with the provisions of this section shall record the applicable particulars of such transfer on the production sheet or stock sheet and wine record kept in respect of that must, sweet reserve or wine.
- (7) The recipient of must, sweet reserve or wine transferred in terms of a permission referred to in subsection (1) shall -
- (a) forthwith notify the board of the receipt thereof;
 - (b) upon receipt thereof record the applicable particulars in connection therewith on the production sheet or stock sheet provided to him in terms of subsection (5)(b);
 - (c) use such production sheet or stock sheet to record the particulars which are otherwise to be recorded by the holder of an authority; and
 - (d) keep a wine record in accordance with the provisions of [section 16\(1\)\(e\)](#) of this Scheme.

20. Combination and blending of must, sweet reserve and wine

[\[To index\]](#)

- (1) Subject to the provisions of subsection (2), no person shall without the written permission of the board-
 - (a) add any must, sweet reserve or wine, whether obtained or produced in terms of an authority or not, to any must, sweet reserve or wine obtained or produced in terms of an authority, or blend it therewith; or
 - (b) add any concentrated must to must, sweet reserve or wine obtained or produced in terms of an authority.
- (2) A permission referred to in subsection (1) shall not be required in the case of -
 - (a) the addition of topping wine to wine in accordance with the provisions of [section 17\(4\)](#) of this Scheme; and
 - (b) the combination of must, sweet reserve and, subject to the provisions of subsection (5) and [section 23\(4\)\(e\)](#) of this Scheme, wine obtained or produced in terms of different authorities, if-
 - (i) it is fermented, kept, precipitated, treated, processed, prepared or matured in the same cellar; and
 - (ii) the wines that could have been produced in terms of the respective authorities could have been certified in respect of the same particulars.
[Para. (b) amended by GN R546/93]
- (3)
 - (a) An application for a permission referred to in subsection (1) shall be made on a form obtainable from the board for this purpose.
 - (b) Such application shall -
 - (i) be made, by the person intending to make such addition, combination or blend; and ,
 - (ii) be lodged with the board at least three working days prior to the intended date of addition, combination or blending.
 - (c) The applicable fee determined by the board for this purpose shall be payable in respect of such application.
- (4) Unless the, board determines otherwise, the addition of sweet reserve to wine shall be approved only if -
 - (a) it is to be thus added for purposes of sweetening;
 - (b) in the case of an estate wine, that sweet reserve has also been obtained from grapes harvested on the relevant unit that is registered for the production of estate wine;
[Para. (b) substituted by GN R 813/2006]
 - (c) in the case of a wine of origin, that sweet reserve has also been obtained from grapes harvested in the geographical unit, region, district or ward concerned;
[Para. (c) substituted by GN R835/2005]
 - (d) in the case of a cultivar wine, that sweet reserve-
 - (i) has been obtained from grapes of the grape cultivar concerned; or
 - (ii) is otherwise of such a nature that is will not alter the character that is distinctive of the cultivar wine concerned;
 - (e) in the case of a vintage wine, that sweet reserve-
 - (i) has been obtained from grapes harvested during the year concerned; or

- (ii) is otherwise of such a nature that it will not alter the character that is distinctive of the vintage wine concerned; and
- (f) in the case of a blanc de noir wine, that sweet reserve has been obtained from grapes of a vine cultivar specified in [Table 2](#), or otherwise does not exceed five per cent of the volume of the blanc de noir wine concerned.
- (g) in the case of a single vineyard wine, that sweet reserve has also been obtained from grapes harvested on the relevant unit that is registered for the production of single vineyard wine.
[Para. (g) inserted by GN R546/93, deleted by GN R835/2005 and inserted by GN R813/2006]
- (5)
[Sub-s. (5) deleted by GN R19/2001]
- (6) If the board approves an application referred to in subsection (3) -
 - (a) the additional conditions and requirements determined by the board, that have to be complied with in connection with the addition, combination or blending concerned shall be indicated on the permission concerned; and
 - (b) such permission shall, in the case of a blending, be accompanied by a blending and bottling sheet.
- (7) The person in charge of the cellar at which an addition, combination or blending of must, sweet reserve or wine is done in accordance with the provisions of this section shall record the applicable particulars thereof on the production sheet, stock sheet or blending and bottling sheet provided to him in terms of this Scheme, as well as on the wine record kept by him in terms of this Scheme: Provided that in the case of a combination, such particulars shall only be recorded on one of the sheets concerned.

21. Requirements relating to containers

[\[To index\]](#)

- (1) Subject to the provisions of subsection (2), no person shall use containers for the bottling of wine intended for certification, unless-
 - (a) the containers concerned are manufactured from glass; and
 - (b) the capacity of those containers does -
 - (i) in the case of sparkling wines, not exceed three litres each;
 - (ii) in the case of containers that are exact enlargements according to scale of the traditional claret, hock or burgundy bottle and are provided with cork closures, not exceed five litres each; and
 - (iii) otherwise not exceed two litres each.
- (2) The board may on application grant written exemption from the provisions of subsection (1).

22. Bottling of wine

[\[To index\]](#)

- (1) A person intending to bottle wine that has been produced in terms of an authority shall notify the board at least three working days prior to the date on which the bottling of that wine is to commence, of the particulars referred to in subsection (2).
- (2) The following particulars shall be furnished in a notice referred to in subsection (1):
 - (a) The reference number of the production sheet, stock sheet or blending and bottling sheet on which the particulars in respect of the wine concerned are recorded at that stage.
 - (b) The date on which the bottling of that wine will commence.
 - (c) An indication of the particulars in respect of which certification with regard to that wine will be required.

- (d) The identification number of the tank or other bulk container in which the wine concerned is kept at that stage.
 - (e) The total volume of the wine to be bottled.
 - (f) The capacity of the containers in which that wine is to be bottled.
 - (g) The address of the premises at which that wine is to be bottled.
- (3) If the particulars in respect of such wine are recorded on a production sheet or stock sheet, the board shall issue a blending and bottling sheet in respect thereof to the person who furnished the notice concerned.
- (4) The person who furnished a notice referred to in subsection (1) shall-
- (a) during the course of each working day record the applicable particulars in connection with the bottling of the wine concerned on the blending and bottling sheet and wine record kept in respect thereof; and
 - (b) immediately after bottling identify the containers in which the wine concerned was bottled -
 - (i) by affixing thereto the labels approved in terms of [section 23](#) of this Scheme for use in connection with that wine;
 - (ii) by affixing thereto stickers on which the reference number of the blending and bottling sheet concerned and the date of bottling of that wine are indicated; or
 - (iii) in another manner approved by the board after consideration of a written request by the person concerned.

23. Requirements relating to labels

[\[To index\]](#)

- (1) No person shall affix a label to a container of wine intended for certification unless the board has approved such label for use in connection with the wine concerned.
- (2) An application for an approval referred to in subsection (1) shall -
 - (a) be made on a form obtainable from the board for this purpose; and
 - (b) be accompanied by five specimens of each of the labels to be affixed to the containers of the wine concerned.
- (3) Such application shall be approved only if the board is of the opinion that -
 - (a) the applicable particulars required by the Act are indicated on the labels concerned in the manner required by the Act;
 - (b) the applicable particulars referred to in [section 24](#) of this Scheme are indicated on the labels concerned in the manner required in that section; and
 - (c) any other word, expression, illustration or depiction on the labels concerned complies with the requirements set out in subsection (4).
- (3A) Notwithstanding the provisions of subsection (3) -
 - (a) the Board may, in the case of a label on a container of wine destined for export which fails to meet the requirements referred to in that subsection, on the conditions it deems fit, approve an application in respect of such a label; and
 - (b)

[Para. (b) substituted by GN R1819/2003 and deleted by GN 554/2009]
 [Sub-s. (3A) inserted by GN R837/91 and substituted by GN R324/99]
- (4) A word, expression, illustration or depiction referred to in subsection (3)(c) shall comply with the following requirements:

- (a) It may not qualify the certification of the wine concerned or be in conflict with such certification.
- (b) It may not be derogatory, inaccurate, untrue or vague with regard to the certification of the wine concerned or of wine in general.
- (c) It may, in the case of a wine of origin of a particular geographical unit, region, district or ward, not be the name of any other geographical unit, region, district or ward or consist partially thereof unless it has been approved by the board on the conditions which it deems fit.
[Para. (c) substituted by GN R1819/2003, GN R835/2005 and GN R554/2009]

(cA)

[Para. (cA) inserted by GN R546/93 and deleted by GN R1039/97]

- (d) It may, in the case of the deformation of the name of an area of production, consist only of the addition of the suffixes “-er” or “-se” to that name.
- (e) In the case of a wine, not indicated as a cultivar wine, it may indicate the cultivars from which that wine was blended: Provided that –
 - (i) each of the wines in the relevant blend has been produced in terms of a separate authorization: Provided that the Board may approve a deviation from this requirement on condition that this shall not influence the method of indication intended in subparagraph (iii);
 - (ii) permission to blend the relevant wines has been obtained in terms of [section 20](#) of this Scheme; and
 - (iii) under the conditions stated in column 1 of [Table 5](#), the relevant cultivars are indicated in the way determined in column 2 of the said Table.

[Para. (e) amended by GN R2842/91, GN R1054/92, and GN R546/93 and substituted by GN R1875/95]

- (eA) It may, in the case of a wine not indicated as a cultivar wine and produced by the combining of grapes of different cultivars as referred to in [section 15\(2\)\(b\)](#) of this Scheme, indicate the designation of those different vine cultivars if a blending and bottling sheet has been issued in respect of the wine in terms of [section 16\(1\)\(d\)\(ii\)](#) of this Scheme: Provided that the provisions of paragraph (e)(iii) shall apply *mutatis mutandis* to the indication of the designations of those different vine cultivars.

[Para. (eA) inserted by GN R2594/92, deleted by GN R1875/95 and inserted by GN R834/98]

- (f) It may, in the case of a cultivar wine produced solely from grapes of the vine cultivar concerned, indicate this fact on the back labels of the containers of that wine.
- (fA) It may, in the case of a cultivar wine, not indicate that wine consists of a blend of wines which were produced from grapes of different vine cultivars.

[Para. (fA) inserted by GN R1021/94]

- (g) It may, in the case of a wine blended solely from different single vineyard wines, indicate this fact on the labels of the containers of that wine.

[Para. (g) substituted by GN R3231/92, deleted by GN R324/99 and inserted by GN R813/2006]

- (h) It may, in cases other than those referred to in paragraphs (e) and (f), indicate the designation of a vine cultivar on a back label if such indication has been approved by the board on the conditions which it deems fit.

[Para. (h) inserted by GN R837/91]

- (i) It may, in the case of a wine produced in a cellar on a unit registered for the production of estate wine, use the word "estate" or "landgoed" if, in the opinion of the board, it is clearly only used as part of the email or web address of that unit registered for the production of estate wine.

[Para. (i) inserted by GN R3231/92, deleted by GN R324/99 and inserted by GN R526/2012]

(5) The board may refuse an application for the approval of a label on the ground that it is of the opinion that any particulars on that label are indicated in such a manner that it constitutes a contravention of section 12 of the Act.

(6)

25. Provisional approval of wine

[\[To index\]](#)

- (1) (a) An application for the provisional approval of wine intended for certification shall be made on a form obtainable from the board for this purpose.
- (b) Such application shall -
- (i) be made by the person requiring the provisional approval of the wine concerned; and
- (ii) subject to the provisions of paragraph (d), be lodged with the board at least five working days prior to the date on which that provisional approval is required.
- (c) The applicable fee determined by the board for this purpose shall be payable in respect of such application.
- (d) If an applicant has notified the board at least three working days beforehand of his intention to lodge such application, that application may be handed to an official or representative of the board when a sample of the wine concerned is taken in terms of subsection (2).
- (2) (a) The board shall for the purposes of the consideration of an application referred to in subsection (1) take a sample of the wine concerned in the manner set out in [section 28](#) of this Scheme.
[Sub-s. (2) renumbered to (2)(a) by GN R837/91]
- (b) An applicant referred to in subsection (1) may, under the circumstances and on the conditions which the board, stipulate, be exempted from the taking of such samples.
[Para. (b) inserted by GN R837/91 and GN R1375/93]
- (3) (a) An application referred to in subsection (1) shall be approved by the board only if it is satisfied that -
- (i) the production sheet, stock sheet or blending and bottling sheet and the wine record kept in respect of the wine concerned, as well as any other particulars at the disposal of the board, indicate that the provisions of this Scheme and any condition determined thereunder have been complied with in connection with that wine; and
- (ii) the wine concerned complies with the applicable requirements set out in the regulations made under the Act, and does not reveal any unacceptable quality characteristics.
- (b) A determination in terms of paragraph (a)(ii) shall be done on the basis of the analysis and sensorial judgement of a sample of the wine concerned.
- (c) If the sensorial judgement of wine reveals an unacceptability of a nature specified in [Table 4](#) in respect of the clarity, colour, flavour or taste thereof, such wine shall not be provisionally approved: Provided that the majority of the members of the board or of a committee thereof shall concur on the nature of such unacceptability.
- (4) If the board is not thus satisfied, a further sample of the wine concerned may be taken for analysis or sensorial judgement with a view to the reconsideration of the application concerned.
- (5) If the board refuses an application for the provisional approval of wine -
- (a) it shall notify the applicant concerned in writing of its decision and of the grounds on which it is based;

- (b) the applicant concerned shall within 14 days of the date of the notice concerned record the applicable particulars of such refusal on the production sheet, stock sheet or blending and bottling sheet and wine record kept in respect of the wine concerned; and
- (c) the wine concerned shall, subject to the requirements of subsection (7), again be considered for provisional approval, if -
 - (i) the board has after consideration of a fully motivated written request by the applicant concerned, consented thereto in writing;
 - (ii) such request has been lodged with the board within 60 days of the date of the applicable notice referred to in paragraph (a); and
 - (iii) the further application for the provisional approval of the wine concerned is lodged with the board within 18 months of the date of the applicable notice referred to in paragraph (a).
[Para. (c) amended by GN R834/98]
- (6) A provisional approval shall lapse -
 - (a) six months after the date of issue thereof if the wine concerned is not bottled within that period, and
 - (b) 12 months after the date of issue thereof if the wine concerned -
 - (i) has been bottled in the containers in which it is to be sold when a sample thereof is taken in terms of subsection (2); or
 - (ii) is bottled within the period specified in paragraph (a).
[Sub-s. (6) substituted by GN R829/2002]
- (7) The provisions of subsection (5)(c)(i), (ii) and (iii) shall not apply to-
 - (a) wine judged from bulk containers; and
 - (b) wine judged in the containers in which it would have been sold if the seal of the wine concerned is removed and the wine is to be decanted and the board is given at least one working day's prior notice of the removal of the seals and the decantation of that wine.
[Sub-s. (7) inserted by GN R834/98]

26. Seals and marks

[\[To index\]](#)

- (1) The person in charge of wine in respect of which a provisional approval has been granted in terms of [section 25](#) of this Scheme shall -
 - (a) affix a seal referred to in subsection (2) to each container in which the wine concerned has been bottled, or place a mark referred to in subsection (3) on each such container; and
 - (b) during the course of each working day record the applicable particulars in connection therewith on the blending and bottling sheet kept in respect of that wine.
- (2) (a) A seal referred to in subsection (1) shall -
 - (i) be issued by the board at the request of the person concerned;
 - (ii) only be thus issued after the labels to be affixed to the containers of the wine concerned have been approved in terms of [section 23](#) of this Scheme, but before the provisional approval in respect of that wine has lapsed in terms of [section 25\(6\)](#) of this Scheme; and
 - (iii) be affixed to the containers concerned in a manner determined by the board.
- (b) A person to whom seals have been issued in terms of paragraph (a) shall return all the unused or damaged seals to the board -

- (i) not later than the date on which an application for the final approval of the wine concerned is made in terms of [section 27](#) of this Scheme; or
 - (ii) within 14 days of the date on which the provisional approval concerned has lapsed in terms of [section 25\(6\)](#) of this Scheme,
- whichever date may be the earlier.
- (3) A mark referred to in subsection (1) shall -
 - (a) be in the form determined by the board; and
 - (b) be placed on the containers concerned in a manner determined by the board.
 - (4) If a wine is a distinctive wine, and a person intends to indicate this fact in connection with the sale of that wine -
 - (a) a mark, word or expression determined by the board for this purpose, shall be indicated on the labels of the containers of that wine in a manner determined by the board; or
 - (b) the board may on application approve that such fact may be indicated on the labels of the containers of that wine in another manner approved by the board.
 - (5) No person shall remove any container sealed or marked in terms of subsection (1) or (4) from the premises at which it was thus sealed or marked, unless-
 - (a) permission therefor has been granted in terms of [section 19](#) of this Scheme;
[Para. (a) substituted by GN R837/91]
 - (b) the wine thus removed, is a sample referred to in [section 28](#) of this Scheme; or
 - (c) a certificate referred to in [section 27](#) of this Scheme has been issued in respect of that wine.

27. Final approval of wine

[\[To index\]](#)

- (1) (a) An application for the final approval of wine intended for certification shall be made on a form obtainable from the board for this purpose.
 - (b) Such application shall-
 - (i) be made by the person requiring the certification of the wine concerned; and
 - (ii) be lodged with the board before the provisional approval in respect of that wine has lapsed in terms of [section 25\(6\)](#) of this Scheme.
 - (c) The applicable fee determined by the board for this purpose shall be payable in respect of such application.
 - (d) If an applicant has notified the board at least three working days beforehand of his intention to lodge such application, that application may be handed to an official or representative of the board when a sample of the wine concerned is taken in terms of subsection (2).
- (2) The board shall for the purposes of the consideration of an application referred to in subsection (1) take a sample of the wine concerned in the manner set out in [section 28](#) of this Scheme.
 - (3) An application referred to in subsection (1) shall be approved by the board only if it is satisfied that -
 - (a) the wine concerned has been provisionally approved in terms of [section 25](#) of this Scheme;
 - (b) such provisional approval has not lapsed in terms of [section 25\(6\)](#) of this Scheme before the application concerned was lodged with the board;

- (c) the sample of that wine does not in any material respect differ from the sample that was analysed and judged sensorially in terms of [section 25](#) of this Scheme; and
 - (d) the applicable labels and seals or marks were affixed to or placed on the containers of that wine.
- (4) The final approval of wine shall be confirmed by means of a certificate by the board wherein the use of the particulars specified in such certificate is authorized in connection with the sale of that wine.
- (5) If the board refuses an application for the final approval of wine -
- (a) it shall notify the applicant concerned in writing of its decision and of the grounds on which it is based;
 - (b) the applicant concerned shall within 14 days of the date of the notice concerned record the applicable particulars of such refusal on the production sheet, stock sheet or blending and bottling sheet and wine record kept in respect of the wine concerned;
 - (c) the relevant wine shall, subject to subsection (8), again be considered for final approval, if-
 - (i) after consideration of a fully motivated written request by the applicant concerned, the board gives its permission in writing;
 - (ii) such request is submitted to the board within 30 days of receiving the notice referred to in paragraph (a); and
 - (iii) a further request for final approval of the wine concerned is submitted to the board within six months after the relevant notice referred to in paragraph (a);
[Para. (c) substituted by GN R1875/95 and amended by GN R834/98]
 - (d) the applicant concerned must remove and destroy the labels and seals or marks on the containers of that wine within 60 days after the date of the relevant notice, under the supervision of an official or representative of the board; and
[Para. (d) substituted by GN R1875/95]
 - (e) the applicant concerned must record without delay the appropriate and relevant particulars on the blending and bottling register kept with respect to that wine.
[Para. (e) inserted by GN R1875/95]
- (6) (a) If any person wishes to uncork a wine which has been finally approved with a view to recorking, stabilisation, topping up, blending, recombination or rebottling and wishes to use the indication of particulars referred to in [section 5](#) of this Scheme, he may, apply therefor to the board in writing, stating particulars of the reasons therefor.
- (b) The board may approve an application referred to in paragraph (a) on the conditions and against payment of the fee which it determines.
[Sub-s. (6) inserted by GN R837/91]
- (7) Notwithstanding the provisions of subsection (2), the board may in the circumstances and on the conditions stipulated by it, approve that the sample referred to in that subsection, not be taken.
[Sub-s. (7) inserted by GN R1375/93]
- (8) The provisions of subsection (5)(c)(i), (ii) and (iii) shall not apply to wine that was destined for export in bulk containers.
[Sub-s. (8) inserted by GN R834/98]

28. Samples and sampling

[\[To index\]](#)

- (1) A sample referred to in [section 25](#) or [27](#) of this Scheme shall only be taken if an official or representative of the board is satisfied that all the required particulars with regard to the wine concerned have been recorded on the production sheet, stock sheet, blending and bottling sheet and wine record kept in respect of that wine.
- (2) Such sample shall-

- (a) subject to the provisions of subsection (3), consist of three separate units of at least 750 ml each of the wine being sampled;
 - (b) be taken at random from the quantity of wine specified in the application by virtue whereof that sample is taken;
 - (c) be taken by the applicant concerned or his agent in the presence of an official or representative of the board; and
 - (d) be sealed and identified by such official or representative in the presence of the applicant concerned or his agent in the manner determined by the board.
- (3) (a) If wine is bottled in containers with a capacity of less than 750 ml, a sufficient number of those containers shall be taken to obtain a sample with a total volume of at least 2,25 litres.
- (b) If wine is bottled in containers with a capacity of 1,5 litres or more, only two of those containers shall be taken as sample.
- (4) (a) If wine being sampled has not yet been bottled in the containers in which it is to be sold, the applicant concerned shall provide suitable containers for the three units referred to in subsection (2)(a).
- (b) If such wine is kept in more than one bulk container and it is aimed to mix the total volume of such wine before it is bottled or exported in bulk, a sufficient volume thereof can be taken from each such bulk container, in proportion with the volume of wine in each such bulk container, and thereafter be thoroughly admixed before being placed in the containers referred to in paragraph (a).
[Para. (b) substituted by GN R2067/94]
- (5) (a) A sample referred to in [section 27\(2\)](#) of this Scheme, of wine that is not intended for export in bulk shall be taken only after that wine has been bottled and the applicable labels and seals or marks were affixed to or placed on the containers of that wine.
- (b) A sample of such wine shall be contained in the fully labelled containers thereof.
- (6) The results obtained during the analysis and sensorial judgment of a sample taken in terms of this section shall apply to the total quantity of wine from which that sample has been taken.

29. Directives relating to the recording of particulars

[\[To index\]](#)

Except where expressly provided otherwise elsewhere in this Scheme, the particulars which a person has to record on a press register, production sheet, wine record, stock sheet and blending and bottling sheet shall be thus recorded not later than the working day following the working day on which the recordable act concerned took place.

30. Termination of participation in Scheme

[\[To index\]](#)

- (1) (a) The holder of an authority and a person to whom a production sheet, stock sheet or blending and bottling sheet has been issued in terms of this Scheme, may at any time by means of written notice to the board terminate his participation in this Scheme with regard to the wine in respect of which such authority has been granted or such production sheet, stock sheet or blending and bottling sheet has been issued.
- (b) A notice referred to in paragraph (a) shall be accompanied by the production sheet, stock sheet or blending and bottling sheet concerned.
- (2) (a) If the board is at any time satisfied that the holder of an authority or a person to whom a production sheet, stock sheet or blending and bottling sheet has been issued in term of this Scheme, has refused or failed to comply with any provision of this Scheme or a condition determined thereunder, the board may by written notice to such person suspend or terminate his participation in this Scheme, either in general or with regard to the wine in respect, of which such authority has been granted or such production sheet, stock sheet or blending and bottling sheet has been issued.

- (b) A person who has been thus notified shall within 30 days of the date of such notice return the production sheet, stock sheet or blending and bottling sheet concerned to the board.
- (c) A suspension of participation in this Scheme in general in terms of paragraph (a) shall be valid for such period as the board may in each case determine.

31. Payment of fees

[\[To index\]](#)

- (1) Postage on and delivery costs of any application, notice or document submitted to the board in terms of this Scheme, as well as of anything else pertaining thereto shall be prepaid by the sender thereof.
- (2) An amount payable in terms of this Scheme shall-
 - (a) be paid to the board;
 - (b) be thus paid by means of a cheque, postal order or money order made out in favour of the board: Provided that a cash payment will be accepted if it is delivered by hand to the board; and
 - (c) be paid within 30 days of the date of issue of a statement reflecting the amount due by the person to whom it was issued: Provided that the fees referred to in [section 6\(2\)\(b\)\(ii\)](#) and [\(7\)\(d\)\(ii\)](#) of this Scheme shall be prepaid.
- (3) If a person refuses or fails to pay the amount reflected in a statement referred to in subsection (2)(b), within the period permitted under that subsection-
 - (a) such amount shall become immediately payable together with interest thereon, calculated from the date of issue of the statement concerned at a rate determined by the board; and
 - (b) the board may suspend the issue of seals referred to in [section 26](#) of this Scheme to the person concerned, and the certification of wine in respect of which he has lodged an application for final approval in terms of [section 27](#) of this Scheme, until the amount referred to in paragraph (a) has been paid by him.
- (4) Notwithstanding the provisions of subsection (2)(c), the board may require that a person in respect of whom the provisions of subsection (3) has been applied once or more shall -
 - (a) pay the applicable amounts determined by the board in terms of this Scheme when he lodges the relevant applications; or
 - (b) maintain a deposit or furnish a guarantee for an amount determined by the board.
- (5) An amount due to the State in terms of the regulations published by Government Notice No. R. 2544 of 19 December 1980, as amended, in connection with matters relating to the certification of wine in terms of those regulations, but which has not yet been paid on the date of publication of this Scheme shall be payable to the Board.
