WHY a SAWIS e-Newsletter?

Welcome to the first edition of
the monthly Sawis e-Newsletter.

The purpose of the e-Newsletter
is to provide you with
information on the latest
research reports, global wine
news, and to keep you informed
of our activities.

The shapes and sizes of recovery in 2010

The end of the recession: Have we changed?

This research from Euromonitor International is part of a global strategic intelligence system which offers a complete picture of the commercial environment.

In this report:

- The End of the Recession
- A Closer Look at Global Fast Moving Consumer Goods (FMCG)
- Industry Snapshots
- The End of the Recession: Have We Changed?

(Euromonitor, June 2010)

• **US: Wine prices face long road to recovery**
Oversupply on the global wine market and discounting threaten to derail positive signs in the US wine sector. [read](#)

• **EU organic logo comes into force**
The new European organic logo is now mandatory on pre-packaged organic food and beverage products. [read](#)

• **French wine regions take stock of 2010 harvest**
Wine regions across France are beginning to assess the quality potential of 2010. [read](#)

• **UK wine market: turning the corner?**
Over the past recent years the global wine industry had negative remarks on the UK market. The UK remains the world's largest market for imported wine at just over 150 million cases in 2009. [read](#)
